ASSEMBLY INSTRUCTIONS

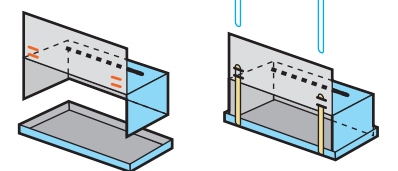

- 1 Cut the desired *Mercury* Popsicle Puppet out along the outline of the puppet, apply your favorite horse hoof glue to the back, attach the puppet to a popsicle stick and then hold until the glue sets.

- 2 To build your own stage to put on shows using your popsicle puppets, take a shoe box, cut a long slit in the bottom and then slit both ends of a long side and flip the side up.

- 3 Put modified box into shoebox lid with the lid as the base, make 2 slits on both ends of folded up flap, then thread 2 popsicle sticks through slits as shown below.

- 4 Decorate your stage, then put the popsicle puppets through the stage's slit and enjoy.
